

SELF

Cookie Notice

Effective date:

Greetings!

Interplay Digital UAB, registered in Lithuania, LT-02194, Vilnius Eišiškių Sodų 18-oji g. 11 under the registration code 306156183 and our subsidiaries, agents, partners and affiliates (“**We**”, “**Us**”, “**Our**”) process Your personal data. We are a controller of Your personal data.

We own, operate and provide <https://yourself.digital/> (hereinafter referred to as the “**Website**”) and an application ‘Self’ that the User can download on the Apple Store or Google Play (hereinafter referred to as the “**Application**”) as well as any other related products or services (collectively “**Services**”). We provide all Services to the User through the Application.

This Cookie Notice constitutes an explanation of the personal data processing with **Cookies** of a capable natural person (“**User**”, “**you**”, “**your**”), who uses Our Services according to the Terms of Service.

Supplemental terms and conditions or documents that may be posted on the Website and Application are hereby expressly incorporated herein by reference. We reserve the right to change this Cookie Notice from time to time, without prior notice and Your consent.

Other terms that are used in this Cookie Notice, but not defined, have similar meanings to the terms in the Privacy Notice and Terms of Use.

I. Terminology

Services. All services provided by Us to the User through the application ‘Self’ and Website, including, but not limited to, services for analyzing and consulting on the User’s psychological state, suggestions and tools for resolving certain psychological matters, depending on the level of psychological immunity and other services available through the Application or the Website.

Application. ‘Self’ mobile application is a software program which We have designed specifically for use on different devices with operation systems Android and/or IOS.

Cookies. Refers to small text files that are placed on your computer by websites that you visit. Website use cookies to help users navigate efficiently and perform certain functions. Cookies that are required for the website to operate properly are allowed to be set without your permission. All other cookies need to be approved before they can be set in the browser. **Cookies have the following types:**

- **Strictly Necessary.** Strictly necessary cookies allow core website functionality such as user login and account management. The website cannot be used properly without strictly necessary cookies;
- **Performance.** Performance cookies are used to see how visitors use the website, eg. analytics cookies. Those cookies cannot be used to directly identify a certain visitor;
- **Targeting.** Targeting cookies are used to identify visitors between different websites, eg. content partners, and banner networks. Those cookies may be used by companies to build a profile of visitor interests or show relevant ads on other websites;

- **Functionality.** Functionality cookies are used to remember visitor information on the website, e.g. language, timezone, enhanced content;
- **Unclassified.** Unclassified cookies are cookies that do not belong to any other category or are in the process of categorization.

Cookie Banner. A special message (banner) is used to grant permission to use cookies and block them at the request of the User. Allows You to consent and set cookies.

II. Data Subject's Rights

Right to access personal data. You can receive information regarding specific personal data Junkineering has collected about you, as follows:

- Purpose of processing;
- Categories of personal data concerned;
- Recipients of categories of recipients to whom the personal data has been, or will be, disclosed;
- The envisaged period for which the personal data will be stored or the criteria used to determine that period;
- The existence of the right to rectification, erasure, or restriction of processing personal data concerning you or to object to such processing;
- The right to lodge a complaint with a supervisory authority;
- Where personal data is not collected from you, any available information as to the source;
- The existence of any automated decision-making, including profiling as well as the significance and envisaged consequences of such processing for you;
- Where personal data is transferred outside of the EEA (which consists of EU member states and Iceland, Lichtenstein, and Norway), you have the right to be informed of the appropriate safeguards in place and to request a copy of them.

Right to rectification of personal data. You can correct Your personal data if it has been changed or incorrectly collected.

Right to erasure (deletion) of personal data. You can ask Us to delete personal data.

Right to restrict processing of your personal data. You can temporarily restrict the processing of personal data.

Right to personal data portability. You may receive personal data in a human and machine-readable format for transmission to another controller.

Right to object. You may object to data processing if We:

- Process personal data for direct marketing purposes, including profiling related to direct marketing.
- Process personal data that we consider necessary for its or a third party's legitimate interest.

Right to reject automated individual decision-making (profiling). You shall have the right not to be subject to a decision based solely on automated processing, including profiling, which produces legal effects concerning.

Right to withdraw consent. You can withdraw Your consent on personal data processing if We use this ground for processing.

Right to opt-out from Marketing/Send Out. You can withdraw Your consent on personal data processing for marketing and send-out purposes.

Right to ask a question and/or make a claim on data processing. You allow to ask Us any question according to data processing or privacy legislation.

III. Personal Data

Personal data. We may process the next personal data with Cookies:

- Date and time of the request;
- IP address (masked);
- Location: country, region, city, approximate latitude and longitude (Geolocation);
- Browser version, browser plugins, operating system version, device identifier (User-Agent header);
- Title of the page being viewed;
- Screen resolution of user's device;
- URL of the page that was viewed prior to the current page;
- Files that were clicked and downloaded;
- Links to an outside domain that were clicked;
- Pages generation time;
- Language of the visited page;
- Campaigns;
- Site Search;
- Events.
- URL of the page being viewed;
- The main language of the browser being used;
- Time in local visitor's time-zone;

Storage of data. We store Your personal data on servers around the world.

IV. Cookies

Consent on Cookies. You consent to the use of cookies by clicking the appropriate button at the first appearance of the Cookie Banner. At the same time, the User can choose which cookies will be used and later change the settings.

Withdrawal of consent. The User may not consent to the use of cookies by clicking on the appropriate button at the first appearance of the Cookie banner or later withdraw such consent. Only Strictly Necessary Cookies will be collected and processed in this way.

VI. Other Tracking Technologies

Web beacons. A small tag is placed on the Website to track how the User interacts with the content.

Tracking Pixels: A 1×1 pixel graphic used to track User behavior, site conversions, web traffic, and other metrics similar to a cookie. They’re usually hidden and embedded in everything from banner ads to emails.

Tracking Tags. Also known as UTM codes are a piece of code added to a website URL to provide better analytics about web traffic and user behavior.

VII. Personal Data Protection

Data protection. We protect Your personal data in several organizational and technical ways:

- We do not have direct access to most of Your personal data collected through cookies;
- We do not combine personal data to which we have access with personal data from other sources, which may affect your ease of identification of You;
- Training employees in cyber security and data privacy;
- Strong password requirements.

VIII. Data Breach Notification

Notifying the Data Protection Authority. In the event of a data breach, in most cases, our co-controllers shall notify the Data Protection Authority, accompanying it with materials about the issue.

We notify You. However, in cases where the data breach seriously threatens your rights and interests, our co-controllers shall inform you about it. In addition, our co-controllers shall document information about each fact of the outflow of personal data in our internal register.

IX. Disabling of cookies

Disabling in general. To delete cookies from your computer and phone, you need to change your browser settings.

Settings in Our Cookie Banner. You can opt out of Our **Cookie Banner** by clicking on the “Delete all cookies” button.

Disabling in browsers. Below are links to instructions for deleting cookies in the most used browsers:

- [Safari](#);
- [Google Chrome](#);
- [Opera](#);
- [Firefox](#);
- [Microsoft Edge](#);
- [Vivaldi](#);
- [Brave](#).

X. Contact Information

Contact Us. You can ask Us any question about Your personal data or make a complaint through the e-mail: **InterplayDigital@gmail.com**. We will give You an answer as soon as possible, but no more than 30 calendar days.

Contact Our Co-controllers. **You can make inquiries** or complaints to Our Co-controllers via any available means of contact on their websites. The timing and procedure for responding depend on the internal policies of Our Co-controllers.

Contact DPA. You can ask DPA any question about your personal data or make a complaint through the following link: https://edpb.europa.eu/about-edpb/about-edpb/members_en. The timing and procedure for responding depend on the internal policies of DPA.

XI. Miscellaneous

Effective date. This version of the Cookie Notice is valid from the Effective date.

Changes. We may make changes from time to time without your consent. The new version will be valid from the time of the changes noted at the beginning of this Cookie Notice.

Governing law and Dispute resolution. This Cookie Notice is construed in accordance with Lithuania legislation. All disputes arising from this Cookie Notice are resolved by the respectful court in Lithuania with Lithuanian law as material and processual legislation but after 20 calendar days of negotiations between us.

Languages. This Cookie Notice is available in English. If there are any differences between the English and any other translated versions, the English version will be the correct one.
